PHYSICAL SECURITY USN 855 (U)

1. Since extensive damage to operations spaces has been reported am concerned about the physical security aspects of the LIBERTY's research department facilities and materials.
2. Understand LIBERTY to rendezvous with TENDER at Suda Bay C etc for repairs. This will probably require complete sanitization of USN 855 spaces.
3. Request you ascertain if practicable the physical security measures contemplated by COMSIXTHFLT. Also what precautions were taken at scene of incident to search for missing persons or classified debris.
4. Further, since USN 855 personnel may not be able to implement fully all necessary physical security measures, request you provide personnel assistance from NAVSUP NAVSECOPU resources as required.
